

SPATHODEA CAMPANULATA BEAUV., A STRIKINGLY HANDSOME ORNAMENTAL TREE FOR FLORIDA. (SEE S. P. I. NO. 39222.)

This tall, straight tree from western tropical Africa has succeeded remarkably well in India and Java as a shade tree. Originally brought from Jamaica by Mr. W. J. Matheson, it is now the largest specimen in the United States. With its large, bright orange-red flowers produced at the tips of the branches, it is very ornamental and conspicuous at a distance. (Photographed by Wilson Popenoe, at Four Way Lodge, the residence of Mr. Matheson, Coconut Grove, Fla., April 15, 1916; P16716FS.)
